

ASCI COVID-SAFE EVENT GUIDE

01

Registration to events

- Compulsory contact information for contact tracing
- Capacity limit functionality to meet venue requirements
- Wait list functionality for fair and equitable prioritisation

02

Check in at events

- QR Code scanning for fast, contactless, and accurate check in
- Temperature checks for final assessment of delegate health
- Compulsory hand sanitiser usage upon entry

03

Networking at events

- Elbow taps are our preferred greeting
- LinkedIn QR code scans are our preferred contact exchanges (no business cards)
- Social distancing seating and photo opportunities
- Individualised catering packages
- Any flyers are to be taken at the close of the event
